

The Sands Cox Charity

The Executive Committee of The Sands Cox Charity continues to work to fulfill the Charities two key functions.

The first is to communicate with our dental and medical graduates, keeping them in touch with each other through the annual *Aesculapius* Journal; it continues to have a great reputation and is much appreciated by many.

The second and increasingly important role is to support medical and dental students. Doctors and Dentists are caring people who are aware of the financial burdens of medical and dental students. It provides an opportunity of making a donation towards the support of elective studies which broaden their experience, perspectives and career horizons.

The students are very grateful for the help we give.

We changed the name of The Sands Cox Society to The Sands Cox Charity. We feel this better reflects our aims and activities, and will have wider appeal to recent medical and dental graduates as well as doctors and dentists in established careers.

We hope you will support our aims please.

The application form is below, alternatively it can be downloaded from our website:

The annual subscription of £30 is a charitable donation; it can be given in a tax efficient way via Gift Aid.

We hold our annual AGM and presentations in the Autumn in Birmingham, including Guest Medical and Dental Speakers, plus presentations by students in receipt of bursaries from The Sands Cox Charity.
